Indications of Chinese Nationalists Attack on Hainan Island

1. and myself have contacted representatives of the Army, Navy, OCI, and OPC, and, in addition, have gone through the material in our own files in order to identify any indications of a Chinese Nationalists' plan to attack Hainan Island.

2. None of the people whom we have contacted nor any information available in our files provides any evidence that the Nationalists are planning an assault on Hainan Island.
